
KEIZER POLICE DEPARTMENT

CADET PROGRAM

What are Police Cadets?

Cadets are trained volunteers ages 14 to 20 who are interested in careers in public safety.

What does a Cadet do?

Once a Cadet completes basic training classes, he or she begins volunteering for the Keizer Police Department. Cadets are assigned to ride with patrol officers and also assist with traffic control, search operations and help out with various community events such as the Keizer Iris Festival.

Are their duties limited only to patrol?

No. Cadets are also involved in crime prevention and Neighborhood Watch programs. Some volunteer their time in the Investigations Unit or Patrol Support Division, depending on their interest, expertise and knowledge.

Are there dangers being a Cadet?

Safety of the Cadet is always a priority. A regular officer or shift supervisor directly supervises volunteer Cadets. Cadets are not placed in foreseeable, dangerous circumstances. However, hazards do exist.

What training do Cadets receive?

Cadets attend an orientation class and receive on-going training on a frequent basis. This training takes place once per month in the evening. Cadets learn a variety of physical and academic skills like contacting the public, defensive tactics and criminal law.

How much time is involved?

Cadets are required to participate in scheduled events, monthly meetings and ride-along patrols as assigned. Some Cadets volunteer as little as three hours per month; others volunteer more depending on their own personal schedules.

Are there uniform and equipment costs?

Yes. Cadets are required to purchase their own uniform and duty belt gear which costs approximately \$200. The Department supplies uniform and equipment accessories including body armor and winter jackets. A limited number of surplus uniforms may be available.
